

TYM adds 5 new tractors for 2009!

29hp T293HST, 30hp T300, and 35hp T350, 90hp T903S and T1003S will be available for shipment to dealers in February 2009.

TYM introduced 5 new tractor models at its first National Dealer Meeting, and dedication of its Eastern distribution center and North American Corporate Headquarters in Wilson NC, on January 21st and 22nd 2009. TYM's Western distribution center is located in Redmond, OR. TYM supplies parts and technical support, and assembles and ships wholegoods to dealers from its **two** distribution centers.

TYM is aggressively expanding its product offering - having introduced 10 new tractor models in February 2008 - totaling 15 new tractor models in 12 months. The Company will introduce additional tractors in 2009 and beyond, all built by TYM and carrying **TYM's Exclusive 5-YEAR WARRANTY**, the Industry's Best Warranty.
